

Measure your bear

Please fill in your details, print off both pages and enclose payment with your garments for recycling or if buying brand new to: Cuddly Bear Wear, Kingston House, Suite 50, Denby Grange, Harlow, Essex CM17 9PZ

It is important to give a close estimated measurement of the bears' height as this will determine the general sizing of adjustment to the uniform.

Please note: no garments for bears less than 36cm (14") will be made due to keeping the original shape of the garment.

Measurements must be to the nearest centimetre!

Your bear details
